Business leadership has changed over recent decades. We now live and work in a global economy, in which geographic borders are virtually non-existent, and innovation, agility and strategy are critical success factors. The HR profession operates at the core of this global economy, ensuring the alignment of organizational strategy with a high-performing workforce.

These two new certifications, SHRM Certified Professional (SHRM-CPTM) and SHRM Senior Certified Professional (SHRM-SCPTM), demonstrate who we are as HR professionals, what we do and why it matters. These professional certifications are meant to benefit the individual, the profession and the employer.
